

Statewide Independent Living Council of Georgia

LEVELS OF GIVING

Thank you for your support of the SILCGA. Below, please find an overview of our giving levels and how your contribution would be used to enhance the lives of so many Georgians with disabilities.

CHAMPION

Championing the expansion of independent living statewide.

12.4% of Georgians are living with a disability. Expanding access to services is a critical need. Contributions at the Champion level will allow us to advocate for increasing the number of Centers for Independent Living from nine to fifteen, in order to provide services to every county in Georgia.

WARRIOR

Leading the fight for total mobility.

The Centers work with licensed and bonded contractors to install ramps with handrails, to modify bathrooms, and widen doorways in homes. They assist with retrofitting cars and vans with ramps and/or hand controls, and we work with the Centers to provide mobility training to expand public transportation options. Your contribution will provide full mobility to consumers with disabilities and their families.

TRANSFORMER

Transforming access to private transportation for complete accessibility.

Access to private transportation is one of the greatest challenges to independent living. Without it, many citizens with disabilities remain isolated from their communities. Sadly, funding for transportation vouchers has been eliminated this year, so we must raise funds to pay for statewide private transportation services.

INNOVATOR

Innovating new technologies for full independence.

By empowering our constituents through assistive technologies, we can support the disability community to live alone, handle their finances, and be more self-reliant.

PATHFINDER

Forging paths to maximize productivity.

The Centers work with employment specialists who provide access to the workforce for the disability community. The Centers help with resumes, health and wellness programs and host toastmaster events. Empowering our constituents to lead productive lives is a win-win for all involved.

BENEFITS OF GIVING

CHAMPION: \$25,000
