**Promoting independent living and advancing community change for everyone.**

LIFE (Living Independence For Everyone), a peer-run disability resource center serving twenty Southeast Georgia counties, seeks a talented and dynamic Executive Director.

The Director is responsible for overseeing the daily operations of LIFE's Savannah, Georgia headquarters as well as a satellite office in Jesup, Georgia.

A highly qualified candidate will possess:

- Significant prior experience in nonprofit management, human services or a closely related field, especially pertaining to disability rights and advocacy.
- A deep commitment to and knowledge of the Independent Living philosophy including peer support and advocacy for people with disabilities.
- Proven ability to successfully manage large-scale grant funding to achieve organizational priorities.
- Experience building relationships with organizations similar to LIFE, Inc. and governmental partners.
- Prior experience managing several staff members.
- Experience with the development and implementation of organizational strategic plans and day-to-day operational work plans to achieve desired organizational objectives.
- Experience in change management and able to manage multiple, on-going programs and services.

Resumes, including two professional references, can be e-mailed to Chris Rollwitz, President of the LIFE, Inc. Board of Directors at [crollwitz@youroasisadvisor.com](mailto:crollwitz@youroasisadvisor.com) and must be received by May 31, 2026, to be considered for this position.

LIFE, Inc. will provide a competitive salary and benefits commensurate with the candidate's skills and experience.
